July - September 2018 Prayer Letter

Dear Pastor and Church Family,

Philippians 2:13 For it is God which worketh in you both to will and to do of his good pleasure. We are so excited that we have finished the remodel of our home in Tennessee and have moved to Payette Idaho.

We had been praying very earnestly about how to move our belongings to Idaho, and with planting churches in the forefront God directed us to purchase a 15 passenger van and a 16 foot cargo trailer. The Lord allowed us to share that need of \$8600.00 and after only 2 weeks every penny was given, what a blessing to the ministry.

On our trip here we had some trouble in two areas but in both instances God had people waiting right there to help us and we made it here safely to God be the glory.

We sure got to see some of Gods beautiful creation on the way here, places like the Badlands, the Black Hills and Mount Rushmore, but our eyes and hearts were focused on a little church on a corner in Payette, Idaho.

We are so humbled that God has allowed us to be a part of this great work. We know without a shadow of a doubt that it is 100% His will for us to be here. We are like that little turtle on the fence post, you just know he didn't get there by himself, someone put him there, and someone certainly has put us here.

As we arrived in Payette we were met by the church that joined in and got us moved in our house within a couple of hours then bought us pizza and fellowshiped with us, oh what a welcome.

Our first Sunday was truly a joyous occasion, after 9 months of labor and patience we are finally with our people and on our field. We started a missions conference this week with Brother Gary Crisp which is going very very well. Please continue to pray for this great work and for laborers to come help us here in the Northwest.

Please pray for Brother Mike and Sister Margurite Rue as they finish their deputation to come help us here. And consider having them in to present their work.
